Call 911 First for Life-Threatening Emergencies
To contact the Villages Security Services, call 903-534-5900 Ext 4125
or 903-574-3885 to talk with the on-duty Patrol Officer directly.

We have 24-7 security services provided by Silverleaf Resorts. They maintain a presence in the guard shack at the main entrance to Silverleaf Resorts on Highway 2661 as well as providing a roving patrol. Their administrative office is located in the same building as our VHOA office. Their patrol vehicles are white SUVs with distinctive red and blue markings.

They patrol our community every day and night, and will respond to emergencies, excessive noise, unattended fires, prowler calls, suspicious cars, and other situations affecting the safety and well-being of our residents.

In addition to their regular drive-by patrol, the Security Services can provide greater observations of your residence during extended absences like vacations or long weekends away, or during times of possible suspicious activity in your neighborhood.

To request this service, a completed "Request for Increased Surveillance" form should be provided to the VHOA office or to the Officer at the Guard Shack located at the resort's main entrance.

A copy of the "Request for Increased Surveillance" form can be printed from our VHOA website, (go to www.vhoaoffice.com), or obtained from the VHOA office or at the Guard Shack during regular operating hours.

(see page 2 for the request form)
