Animal Control Policy adopted June 12, 2007

PURPOSE: In addition to the deed restrictions dealing with animals, there is a need to restrain dogs from roaming on VHOA properties. They present a nuisance to residents, guests, children, and pets and most importantly a clear danger of physical attack. Loose unsupervised dogs are also in danger of being injured, poisoned, infected, or killed by wildlife or traffic. In the absence of state or county regulation, the VHOA Board has deemed this policy as necessary.

POLICY: It shall be the policy of the VHOA Board to require that all dogs be fenced (physical or electronic) or restrained on the owner’s property when unsupervised. When supervised, they must be under control by leash, shock collar, voice command, or other device. Owners may exercise their dogs outside or take walks with them as long as the owner is certain of the control of the animal. Anyone who feeds a stray dog is deemed the owner.

ENFORCEMENT: Upon receiving the first complaint, the Board will notify the owner of the need to immediately control their dog and the consequences of not complying. Upon receiving a second complaint, VHOA will notify the owner that we will capture the animal and deliver it to Humane Society of Smith County. All costs of capture and Humane Society fees will be assessed to the owner. In the case that the Board can not identify the owner, we will capture and deliver the animal after the first complaint.

ALL TERRAIN VEHICLE POLICY (Revised)
Adopted February 12, 2008

2. ATV’s must be equipped with an adequate muffler and adequate park arrestor exhaust system.
3. All posted speed limit signs must be observed.

Section 1. Creation of the Lien and Personal Obligation of Assessments. Developer, for each Living Unit owned by him within the Properties, hereby covenants and each Owner of any Lot or Living Unit by acceptance of a deed therefor, whether or not it shall

be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) monthly assessments of charges, (2) special assessments for capital improvements, and (3) **see Clarification [4]**, such assessments to be fixed, established and collected from time to time as hereinafter provided. Such monthly and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and, in particular, for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties and of the homes situated upon The Properties, including, but not limited to the payment of taxes and insurance thereon, and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof.

Section 3. Basis and Maximum of Monthly Assessments. Monthly assessments shall begin with the first day of the month following completion of Stage 3 of the dam on Lake Palestine, and the initial maximum monthly assessment shall be \$12.00 per Lot, and the monthly assessment to each Living Unit in any multi-family structure shall be no less than one-third (1/3) of the monthly assessment paid by a single family dwelling Lot Owner.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any month at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the monthly assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of 66-2/3 percent of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance setting forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Monthly Assessments. From and after January 1 of the year immediately following the commencement of monthly assessments, the maximum monthly assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer

Price Index (published by the Department of Labor, Washington, D.C.) for the preceding month of July.

From and after January 1 of the year immediately following the commencement of assessments, the maximum monthly assessment may be increased above that established by the Consumer Price Index formula by a vote of the Members, provided that any such change shall have the approval of two-thirds (2/3) of the Members of each class of Members voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall have been sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

The limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its By-laws and under the provision of this Declaration.

Section 6. Quorum for any Action under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 shall be as follows:

a. At the first meeting called as provided in Sections 4 and 5 hereof, the presence at the meeting of Members or of proxies entitled to cast 75 percent of all the votes of each class of membership shall constitute a quorum.

b. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirements set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Due Date of Assessments. The monthly assessments provided for herein shall become due and payable on the 1st day of each month after the commencement date hereinabove set out and the due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall, upon the commencement date herein provided, prepare a roster of The Properties and assessments applicable thereto which shall be kept in the office of the Association, and shall be open to inspection by any Owner. Written notice of the initial assessment and of any subsequent changes therein shall be forthwith sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. A reasonable charge may be made by the Board for the issuance of such certificate and such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-payment of Assessment; Personal Obligations of Owner; Lien; Remedies of Association. If the assessments are not paid on the date when due, then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, forthwith become a continuing lien on the property which shall bind such property in the hands of the then Owner, his or her heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his or her personal obligation for the statutory period and shall not pass to his or her successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten (10%) percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided, and a reasonable attorney's fee to be fixed by the Court, together with costs of the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-usage of the Common Properties or abandonment of his or her property.

Section 10. Subordination of the lien to mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charges, and lien created herein:

- a. All properties to the extent of any easement or any other interest therein dedicated and accepted by the local public authority and devoted to public use.
- b. All Common Properties as defined in Article I, Section 1, hereof.
- c. All properties exempted from taxation by the laws of the State of Texas, upon the terms and to the extent of such legal exemption.
- d. All unimproved lots owned by Developer.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges, or liens.

ARTICLE VI

Architectural Control

see Clarifications [1],[6],[7],[8] No trees shall be removed except by utility companies as required in furnishing of utility services, and no building, fence, wall, or other structure shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change or alteration therein be made until the details, plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board. In the event the Committee fails to approve or disapprove any such detail, design, plan, specification or location within thirty (30) days after submission to it, or in any event if no suit to enjoin has been commenced prior to completion thereof, approval will not be required and this article will be deemed to have been fully complied with.

ARTICLE VII

Exterior Maintenance

Section 1. Assessment for Damage to Common Properties. In the event that the need for maintenance or repair upon the Common Properties is caused through the willful or negligent act of any Owner, his family or guests or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot or Living Unit is subject. **see Clarification adopted September 19, 2017.**

Section 2. Exterior Maintenance. In addition to maintenance upon the Common Properties, the Association may, after notice to Owner as hereinafter provided, provide exterior maintenance upon each Lot and Living Unit which is subject to assessment under Article V hereof as follows: clear, mow, and maintain lots; trim trees, shrubs, hedges and lawns, and paint, repair, replace and care for roofs, and other exterior improvements.

Section 3. Notice to Owner. Prior to the performance of exterior maintenance by the Association upon any Lot or Living Unit as hereinabove provided in Section 2 hereof, the Association shall give to such Owner notice in writing of the need for such maintenance and of intention of the Association to perform such maintenance if Owner should fail to perform it within ten (10) days of the receipt of such notice.

Section 4. Assessment of Cost. The cost of such exterior maintenance shall be assessed against the Lot or Living Unit upon which such maintenance is done and shall be added to and become part of the monthly maintenance assessment or charge to which such Lot or Living Unit is subject under Article V hereof, and as part of such monthly assessment or charge, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article V hereof.

Section 5. Access at Reasonable Hours. For the purpose solely of performing the exterior maintenance authorized by this Article, the Association through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot or exterior of any Living Unit at all reasonable times for the purpose of performing such exterior maintenance.

Enforcement of these restrictions, covenants and conditions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any of such restrictions, covenants or conditions, either to restrain violation or to recover damages and against the land to enforce any lien created by these covenants, and failure by the Association or any Owner to enforce any restriction, covenant or condition herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Severability. Invalidation of any one of these restrictions, covenants or conditions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.
