Call 911 First for Life-Threatening Emergencies
To contact the Villages Security Services, call 903-574-3885 or 903-561-1153

We have 24-7 security services provided by the Resort. They provide a roving patrol. Their administrative office is located in the same building as our VHOA office. Their patrol vehicles are white SUVs with distinctive resort markings.

They patrol our community every day and night, and will respond to emergencies, excessive noise, unattended fires, prowler calls, suspicious cars, and other situations affecting the safety and well-being of our residents.

In addition to their regular drive-by patrol, the Security Services can provide greater observations of your residence during extended absences like vacations or long weekends away, or during times of possible suspicious activity noted in your neighborhood.

To request this service, a completed "Request for Increased Surveillance" form should be provided to the VHOA office.

A copy of the "Request for Increased Surveillance" form can be printed from our VHOA website, (go to www.vhoaoffice.com), or obtained from the VHOA office during regular operating hours.

(see page 2 for the request form)
